## Introduction

Thank you for purchasing this quality product. **To minimise the risk of injury we urge that our clients take some basic safety precautions when using this device. Please read the operation instructions carefully and make sure you have understood its content.** Keep these operation instructions safe.

1. Check all parts for their integrity and completeness.

2. Remove the screws from the quick release fixture, attach it to the handlebar, and fix it.

3. Place the black base plate (the one without the red plastic pin) on the inside of the basket.

4. Place the black plate (the one with the red pin) on the outside of the basket.

5. Attach both parts to the basket by fixing the screws.

6. Attach the handle to the basket by connecting its ends to the appropriate openings.

7. Connect the plastic cover to the handle.

8. Press the basket against the fixture mounted to the handlebar, then press the red pin and slide the basket down until it clicks into place.

Important notice:

The reprint or reproduction, even of excerpts, and any commercial use, even in part, of this instruction manual require the written permission of WilTec Wildanger Technik GmbH.
