## Introduction

Thank you for purchasing this quality product. **To minimise the risk of injury we urge that our clients take some basic safety precautions when using this device. Please read the operation instructions carefully and make sure you have understood its content.**

Keep these operation instructions safe.

## Description

- Massage cushion with heat function (12 V)
- Universal mounting system
- Built-in massage motor (5×)
- Integrated seat heating
- Power supply DC12 V (car cigarette lighter socket)
- Control panel for easy operation of all functions

## Safety instructions

- Do not cover the airbags of the car seats.
- Store in a dry place. Only suitable for indoor use.
- Do not leave the massage cushion unattended in the car. (There is a risk of overheating due to the car battery discharging.)
- Do not fold the massage cushion as it may be damaged.

## Instructions for use

1. Place the cushion on the seat and secure it.
2. Plug the mains cable into the 12 V car cigarette lighter.

## Technical data

<b>Power supply (V)</b>	12 (direct current)
<b>Max. power consumption (A)</b>	1
<b>Massage motors (pieces)</b>	5

## Disposal regulations

EU guidelines regarding the disposal of scrap electric appliances (WEEE, 2012/19/EU) were implemented in the law related to electrical and electronic equipment and appliances.

All WiITec electric devices that fall under the WEEE regulations are labelled with the crossed-out wheeled waste bin logo. This logo indicates that this electric equipment must not be disposed with the domestic waste.

The company WiITec Technik GmbH has been registered in the German registry EAR under the WEEE-registration number DE45283704.

Disposal of used electrical and electronic appliances (intended for use in the countries of the European Union and other European countries with a separate collection system for these appliances).

The logo on the article or on its packaging points out that this article must not be treated as normal household waste but must be disposed to a recycling collection point for electronic and electrical waste equipment. By contributing to the correct disposal of this article you protect the environment and the health of your fellow men. Environment and health are threatened by inappropriate disposal.

Material recycling helps reduce the consumption of raw materials.

Additional information on recycling this article can be provided by your local community, municipal waste disposal facilities, or the store where you purchased the article.
