## STEP12

## CZ

- Části B a C, krok 4: One hole = jeden otvor / Gradient = sklon / Two holes = dva otvory / Pay attention to the direction of these holes. = Dbejte na správné umístění označených otvorů.
- Krok 6, 7 a 9: Vzhled po upevnění

## DE

- Teile B und C, Schritt 4: One hole = ein Loch / Gradient = Neigung / Two holes = zwei Löcher / Pay attention to the direction of these holes. = Achten Sie auf die korrekte Ausrichtung der bezeichneten Löcher.
- Schritt 6, 7 und 9: Aussehen nach Befestigung

## ES

- Partes B y C, paso 4: One hole = un agujero / Gradient = inclinación / Two holes = dos agujeros / Pay attention to the direction of these holes. = Preste atención a la orientación correcta de los agujeros indicados.
- Pasos 6, 7 y 9: Aspecto después de la fijación

## FR

- Pièces B et C, étape 4 : One hole = un trou / Gradient = inclinaison / Two holes = deux trous / Pay attention to the direction of these holes. = Veuillez prêter attention à l'orientation de ces trous.
- Étapes 6, 7 et 9 : aspect après fixation

## IT

- Parti B e C, fase 4: One hole = un foro / Gradient = inclinazione / Two holes = due fori / Pay attention to the direction of these holes. = Prestare attenzione alla direzione di questi fori.
- Fasi 6, 7 e 9: aspetto dopo il fissaggio

## NL

- Delen B en C, stap 4: One hole = één gat / Gradient = helling / Two holes = twee gaten / Pay attention to the direction of these holes. = Let op de juiste uitlijning van de aangegeven gaten.
- Stap 6, 7 en 9: Uiterlijk na bevestiging

## PL

- Części B i C, krok 4: One hole = jeden otwór / Gradient = nachylenie / Two holes = dwa otwory / Pay attention to the direction of these holes. = Proszę zwrócić uwagę na prawidłowe ustawienie oznaczonych otworów.
- Krok 6, 7 i 9: Wygląd po zamocowaniu

## SE

- Del B och C, steg 4: One hole = ett hål / Gradient = lutning / Two holes = två hål / Pay attention to the direction of these holes. = Var uppmärksam på att de markerade hålen är korrekt placerade.
- Steg 6, 7 och 9: Utseende efter fastsättning

## SK

- Časti B a C, krok 4: One hole = jeden otvor / Gradient = sklon / Two holes = dva otvory / Pay attention to the direction of these holes. = Dávajte pozor na správne umiestnenie označených otvorov.
- Krok 6, 7 a 9: Vzhľad po upevnení
